ELsie LOSES PURSE AND \$136

DENVER, Colo., April 8.—Miss Elsie Vandegrift, short hand reporter in the senate, has had Eddie Gray, a messenger, arrested charged with removing her purse containing \$136 of her earnings during the last part of the session, from her desk. The boy is 16 years of age and comes from Pueblo. He declared he did not take the purse, but Miss Vandegrift is equally positive he is guilty. The boy is being held pending investigation.

Don't forget that Mrs. Manhire has a swell new line of ladies' wash dresses.
